

Dwight Darby & Company
Certified Public Accountants

Public CPA Firm Senior Tax Accountant Position

As a local CPA firm located in Tampa for over sixty-five years, Dwight Darby & Company has established an outstanding reputation as a respected business advisor within the community and has maintained long-term employees.

We are truly a "local" firm. Each of our partners has a history of continuity by having an association with the Firm from twenty-three to over forty years. Of the three partners, two began their public accounting careers with Dwight Darby & Company. Part of the strength of our firm is the integrity and stability of the Firm's partners and its employees.

We distinguish ourselves from other firms by the quality of service we provide to our clients and the way we treat our employees.

Benefits of our firm include:

Operate in a paperless environment

In the office we are informal, diverse, and business casual

401k Plan

Additional holidays, vacations, tax days and/or tax bonuses

Employee health insurance

Company paid dues, social networking events and CPE

Private office, dual monitors, laptop

Minimal travel

Partners very accessible and involved

Flexible schedule/ability to work from home as needed

Typical tax season overtime begins mid to late-February at an average of 55 hours/week

Though we work hard and value a person's efforts and results, we truly are a family environment and not your typical all work/no play atmosphere.

Qualities of an ideal candidate:

B.A. in Accounting, including the 150 hour (5th year) FICPA educational requirement or Master's in Accounting

4+ years public tax accounting experience

CPA or currently working toward license

Intelligent, motivated, team player

Trustworthy, dependable

Sound writing and communication skills

Comfortable with multi-tasking, being responsible for multiple projects, and meeting deadlines

Ability and willingness to learn

Stable work history

Additional position requirements – Candidate must be well versed in:

Researching and documenting tax consequences of transactions/issues

Responding to IRS notices

Preparation and review of complex corporate, individual, trust, and estate income tax returns including multi-state experience

UltraTax, Prosystem-fx tax preparation software, Engagement software and QuickBooks

Anticipated start date
